March 2011

**BMI-SBI together with AWEX/SOFINEX supports the international development of:**

**ERYPLAST**®  
SA  
NV

Founded in 1993, Eryplast has established itself as one of the European leaders in plastic pallet production. With the second largest production capacity in Europe and its original technology, the company employs around thirty people and specialises in the manufacture of large items made from plastic materials.

In 2010 Eryplast decided to launch a pallet pooling activity based on its plastic pallets, under the banner "Pick-and-Go". The pooling activity is based in Toulouse (France):

**PICK-AND-GO**  
PALLET POOLING SERVICES

PICK-AND-GO IS A SERVICE PROVIDER OF THE ENTIRE INDUSTRIAL SUPPLY CHAIN, WITH A FOCUS ON THE FOOD AND RETAIL SECTOR, IT PROVIDES A FULL RENTING SERVICE OF PACKAGING MATERIAL AND MANAGES A POOL OF RECYCLED PLASTIC PALLETTS THAT ARE RFID-TRACABLE.

BMI-SBI, together with AWEX/SOFINEX contributed to the development of the pooling activity of the ERYPLAST Group. A long term subordinated loan has been granted on the level of PICK & GO, the French subsidiary of ERYPLAST. This allowed the company to invest in its pallet pool in order to serve its continuously increasing client base. It also comforted their local banks to contribute to the financing of project.
